“ The technique of playing futsal is different to the 11-a-side version; there are spectacular things you can attempt that you would not dare trying in football. It adds more fun to the discipline. ”

**ZINEDINE ZIDANE**

“ During my childhood in Portugal all we played was futsal, the small playing area helped me improve my close control and whenever I played futsal I felt free. If it wasn't for futsal, I wouldn't be the player I am today. ”

**CRISTIANO RONALDO**

“ As a little boy in Argentina, I played futsal on the streets and for my club. It was tremendous fun, and it really helped me become who I am today. ”

**LIONEL MESSI**

“ For me, futsal is one of my passions. I always loved to play. Futsal helps a lot because you need to think quickly. It's a more dynamic game...And today, in Europe, there's not much space so you need to think quicker and futsal has helped me a lot with that. ”
